### **General Nursing and Midwifery (G.N.M)**

General Nursing and Midwifery or GNM is a three-year designed for aspirants who want to pursue a career in clinical nursing. The programme teaches candidates how to care for individuals who are sick or have been injured in order to help them attain full recovery. Although the curriculum design of the course varies from university to university, GNM courses are designed to prepare the students for the clinical approach of handling patients.

The GNM course has been designed to enable eligible candidates to address the health needs of the country, community, and individuals.
